

# Welcome to Trade Mint Academy

Minting Wealth Through Smart Trading.

## About Us

Empowering the Future of Automated Trading

Welcome to Trade Mint Academy, a global IT and FinTech company transforming the way people invest in Trading markets.

We develop advanced AI-powered Trading robots that deliver consistent performance with up to 95% accuracy the world's most trusted Trading performance tracking platform.

Since 2021, our automated trading technology has generated over \$56,16,000+ in verified profits, proving that smart algorithms can outperform emotional trading.

Now, through our MLM-based investment system, you can be part of our growth and earn passive Profit and Share backed by real trading technology.

# MISSION & VISION

## MISSION

To simplify global trading through automation and to empower individuals with transparent, technology driven income opportunities.

## VISION

To become a global leader in automated trading solutions and community-based financial growth, creating a bridge between advanced technology and everyday investors
